

ACRYLUX 60" x 32" SHOWER BASE

- ❑ 6032Y1.ST-R Shower Base, Right Drain
- ❑ 6032Y1.ST-L Shower Base, Left Drain
- ❑ 6032Y1.ST-C Shower Base, Center Drain

Product Features:

- High-gloss acrylic-capped ABS with fiberglass reinforcement
- Single threshold
- Integral three-sided, tiling/water retention flange
- Textured bottom
- Fits in the space of a 60" x 32" bath tub, perfect for remodeling or new construction.

Nominal Dimensions:

59-7/8" x 31-1/4" x 5-1/8"
(1521 x 794 x 130mm)

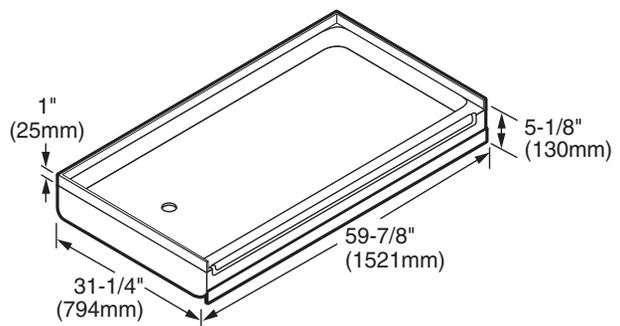

For use with:

- 6032Y1.SW Shower Wall Set
- Base can also be installed without Acrylux wall set
- When replacing a bathtub, where codes allow, this shower base can be installed with a 2" shower drain and a reducing adaptor so that it will work with pre-existing 1-1/2" bath drain plumbing. Some adjustment for drain alignment may be necessary.

Compliance Certifications -

Meets or Exceeds the Following Specifications:

- ANSI Z124.2 for Plastic Showers
- ASTM E162 for Flammability
- NFPA 258 for Smoke Density
