FEATURES

Luxury-Glide® Oven Rack

With a ball bearing system, oven rack is so smooth they extend effortlessly.

PerfectConvect®

Our convection technology features a third convection element for consistently even results, up to 30% faster cooking times and even more baking options.

Luxury-Design® Lighting

Our ramp-up designer halogen lighting is as beautiful as it is functional.

Luxury-Hold™ Door

Our oven door stays put at whatever angle you place it.

"My Favorite" Setting

A setting you can customize to meet your needs, so the option you want is available at the touch of a button.
