

QUALITY, INNOVATION & VALUE

FrankeUSA products are all about quality, innovation and value. FrankeUSA has an unparalleled expertise in the manufacturing of deep drawn stainless steel sinks.

This collection of high quality and value sinks offers innovative features ideal for the plumber, contractor and consumer.

Limited Lifetime Warranty

Ultra Quiet™ Sound-Deadening Pads insulate from excess noise & vibration.

Seamless Press Technology: Double bowl sinks are produced from a single stainless steel blank eliminating the need for welding bowls together. The result is no center seam weld marks to buff or grind away creating a smoother blemish free finish.

Extra Deep Ledges help to keep water in the sink and off the countertop.

Integrated installation rails are created as sink decks are fabricated. Process eliminates unsightly weld blemishes. Reinforced Safe-T Rim eliminates sharp sink edges, adds strength to the sink and creates a stylish finished product.

Safe and Easy Installation with eight “hinged” clips included.

FrankeUSA Stainless Steel Finishes

FrankeUSA has polished and finished stainless steel sinks for over 60 years. That’s a lot of experience and a lot of satisfied customers. This ongoing, never-ending discussion with customers, has led to the development of the following FrankeUSA product finishes:

Radiant Silk Finish

A smooth and polished surface created with polishing brushes and polishing compounds.

Mirror Finish

A highly reflective and bright surface created with buffing wheels and compounds.

Satin Finish

A uniformly applied finish with minimal grain lines exhibiting a subtle surface shine and “smooth-to-the-touch” finish.

IMPROVEMENTS AND ENHANCEMENTS

FrankeUSA products are all about Quality, Innovation and Value. We believe in continuous efforts to improve value. Improvements to both function and aesthetics include:

PROVIDES UP TO 13% MORE USABLE SPACE INSIDE THE SINK!
(when compared to previous models)

A kitchen sink is a central part of every kitchen, yet is often overlooked when it comes to usable space!

The newly redesigned FrankeUSA sinks have smaller radius corners resulting in larger bowl capacity. These smaller radius corners provide up to 13% more usable bowl space!

You can easily find a kitchen sink that fits with the style of your kitchen and also satisfies your cooking, cleaning and lifestyle needs.

BEFORE

AFTER

Smaller radius corners for larger bowl capacity and a sleek appearance. Smaller radius provides up to 13% more usable space inside the sink when compared to previous models.

Rear positioned wasteholes on select models, for more usable space in the cabinet below the sink and more work area inside the sink.

Sink bowls have a flatter bottom than previous models to ensure that stemware doesn't tip.

Redesigned modern faucet deck for a sleek and stylish appearance.

Sink Features:

Sound deadening pads.
Installation hardware and template.
Limited Lifetime Warranty.

FRANKEUSA GRANITE SINKS

FrankeUSA products are all about Quality, Innovation and Value. FrankeUSA has extensive knowledge in manufacturing granite sinks. This collection of high quality sinks offers innovative features ideal for the plumber, contractor and consumer.

Limited Lifetime Warranty

Undermount or Topmount ★ Dual Installation!

Most Franke USA Granite sinks can be Undermounted or Topmounted depending on your kitchen design needs! A topmount sink is as implied by the name installed from the top of the counter. If you have chosen a laminate countertop in your kitchen consider a Topmount option. If you have chosen a solid surface countertop, an undermount will be a beautiful complement.

Won't Chip!

Franke USA Granite's Rock-Hard Surface Won't Chip like Porcelain.

Won't Scratch!

Utensils, Pots and Pans Won't Scratch Granite's Durable Surface.

Won't Stain!

Tough Stains are Easily Removed with Any Abrasive Cleaner.

Won't Scorch!

Extreme Temperatures Won't Crack or Mar Granite's Surface.

FrankeUSA Granite sinks are available in 6 different color options (see sink specs for specific color options):

Slate

Graphite

Onyx

White

Champagne

Mocha

Sink Features:

Topmount or Undermount installation.
Available in 3 different granite colors.
Limited Lifetime Warranty.

Refer to product information throughout the catalog to find accessories custom fitted for your sink!

WARRANTY

SINKS

FrankeUSA, Inc. warrants its sinks to be free of manufacturing defects in material and workmanship under normal residential usage for the lifetime of the sink. * Certain sink materials (brass) will tarnish as part of the natural reaction to air and water.

FAUCETS

All faucets installed in a private residence carry a limited lifetime warranty on all mechanical parts to be free of manufacturing defects in material and workmanship under normal usage. All chrome finishes carry a limited lifetime warranty; all other finishes are warranted for five years from the original date of purchase. * Not warranted for Marine and Outdoor installations.

LOTION / SOAP DISPENSERS

Are warranted to be free from manufacturing defects for a period of five years from the date of purchase. Warranty does not cover damage caused by the use of aggressive soaps and lotions.

ACCESSORIES

Are warranted to be free from manufacturing defects for a period of one (1) year from the date of purchase. This includes but is not limited to shelves, colanders, strainers, cutting boards and other accessory items.

MARINE AND OUTDOOR INSTALLATION

FrankeUSA, Inc. faucets, soap dispensers, waste disposers and water dispensing systems are NOT warranted for Marine or Outdoor installations.

AUTHORIZED RESELLERS

Warranties are not applicable to products sold by unauthorized resellers. The consumer accepts responsibility to research the integrity and reputation of the reseller to ensure they are authorized to sell and provide appropriate pre and post purchase service. Internet resellers should be particularly scrutinized, as they are very difficult to evaluate and often provide very limited or no customer service.

GENERAL

This warranty applies only to the original owner, providing the product has been installed in accordance with our installation instructions, used as recommended and in a normal residential application. In the event of a warranty claim, the owner will be required to provide proof of purchase (a sales receipt). This warranty covers all components which make the product operational. FrankeUSA, at its option, may repair or replace the product or components necessary to restore the product to good working condition. Franke reserves the right to inspect the installation prior to the actual replacement of the product or component part.

This warranty does not cover misuse or abuse, accidental damages, scuffs or scratches, improper installation, abnormal usage, negligence or damage caused by improper maintenance or cleaning. Normal wear of parts is excluded from the warranty. Damage caused by impurities or acts beyond our control are not covered. Any product or part which has been repaired or altered in any manner outside of Franke's factory, unless previously authorized in writing by Franke, will void warranty. Any replacement excludes transportation and any labor re-installation costs. This warranty does not allow recovery of incidental or consequential damages such as loss of use, delay, property damage or other consequential damage, and Franke accepts no liability for such damages.

The FrankeUSA warranty is limited to the above conditions and to the warranty period specified herein and is exclusive. FrankeUSA DISCLAIMS all other warranties, expressed or implied, including IMPLIED WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR AS PARTICULAR PURPOSE. This warranty gives you specific legal rights that may vary from state to state.
