

JTP90DP

GE® 30" Built-In Double Microwave/Thermal Wall Oven

Dimensions and Installation Information (in inches)

KW Rating	
240V	6.4
208V	5.6
Breaker Size	
240V	30 Amps
208V	30 Amps

Note: Cabinets installed adjacent to wall ovens must have an adhesion spec of at least a 194°F temperature rating.

Installation Information: Before installing, consult installation instructions packed with product for current dimensional data.

Door handle protrudes 3" from door face. Cabinets and drawers on adjacent 45° and 90° walls should be placed to avoid interference with the handle.

Electric wall ovens are not approved for installation with a plug and receptacle. They must be hard wired in accordance with installation instructions.

Note: These ovens are not approved for stackable or side-by-side installations.
