

STEP UP TO SLEEK STYLE

How does a microwave this quick, this quiet and this easy to use get even better? By getting all dolled up. The sleek, intuitive SmoothTouch™ controls located on the front of the stylish glass door ensure your microwave looks just as good as that lasagna. And with Sensor Cooking taking the guesswork out of cooking, QuietPower™ Ventilation removing steam and cooking aromas quickly and quietly, and EasyClean™ interior wiping clean in minutes, dinner isn't just done—it's something to admire.

EasyClean™

Spills? Splatters? Don't sweat it. LG's EasyClean™ interior resists stains and buildup, so cleaning your microwave doesn't have to be a chore. Simply wipe with a damp cloth—no chemicals, no scrubbing, no problem.

QuietPower™ Ventilation System

With an Over-the-Range Microwave Oven, strong ventilation is key. That's why LG has created the QuietPower™ vent, which does the job quietly, without interrupting your life.

Sensor Cooking

Eliminate the guesswork in cooking. Humidity-sensing technology determines when food is cooked and automatically turns off the microwave to help prevent the over- or under-cooking of meals.
