COOK IN WIDE OPEN SPACES

Want more space and flexibility while you cook? Look no further than our LG double oven. Our cook top with front controls offers ample space, so you can use large pans and skillets while still having two free ovens. Plus, this gas double oven is among the largest capacity in the whole industry, 6.1 cubic feet. Because you never know when a bake sale or big family dinner might sneak up on you.

Large Capacity

Cook two meals at once – Allows you to cook different dishes at different temperatures all at the same time. Gives you room for everything you'd need for a holiday dinner

IntuiTouch™ Control System

Easy to use and easy to clean, the IntuiTouch™ Control System makes operating your range a snap.

SuperBoil™ Burner

A Better Boil. Spend less time waiting and more time cooking. The powerful Superboil™ Burner brings water and other liquids to a boil quickly.
