EFFORTLESS PERFORMANCE

Get a microwave that cooks perfectly, and looks good while doing it. With our patented TrueCookPlus™ technology, it allows you to cook your food easily, and perfectly every time. Plus, it's equipped with 2.0 cubic feet of room, 1200 watts, EasyClean™ interior and a premium stainless steel finish. See, beauty and brains can co-exist, quite deliciously.

TrueCookPlus™

TrueCookPlus™ is patented technology that does all the calculations for you, ensuring the food cooks outstandingly everytime. True Cook numbers can be found on leading food distributor's packaging.

Sensor Cooking

Sensor cooking technology senses humidity levels within the oven and automatically adjusts cooking time and performance to provide superior heating performance.

EasyClean™ Interior

With the new EasyClean™ interior, you can have quick and high performance cleaning inside and out without using chemicals.
