FEATURES & SPECIFICATIONS

INTENDED USE

Provides general illumination in residential and light commercial applications. Ideal for kitchens, bathrooms, bedrooms, foyers, offices and any other medium-sized room requiring an energy-efficient decorative ceiling-mount fixture.

CONSTRUCTION

The matte white acrylic diffuser takes the shape of a circline housing and trim and allows for illumination on both sides of the circular chrome trim. Three double-arch finials finish the clean, contemporary look. A twist-lock diffuser allows for tool-free lamp replacement.

Can be mounted on flat or sloped ceilings.

Includes (1) 22W and (1) 32W circline fluorescent lamps (4100K) with 10,000 hour average lives.

Standard with 120 volt, 60Hz electronic ballast that ensures no flickering and quiet operation without interfering with other electronics.

Use with non-dimmable switches only.

All mounting hardware included.

LISTINGS

UL Certified to US safety standards and suitable for damp locations. ENERGY STAR® certified.

WARRANTY

Guaranteed for two years against mechanical defects (excludes lamps).
