

FEATURES & SPECIFICATIONS

INTENDED USE

Provides general illumination in residential and light commercial applications. Ideal for use in foyers, hallways, bedrooms, offices, utility work areas, stairways and many other rooms in the house. Flush mount are preferred on lower ceilings, while semi-flush lights are ideal on medium to high ceilings.

ATTRIBUTES

These transitionally styled fixtures are offered in either a unique bronze finish with tea-stained glass or a brushed-nickel finish with acid-etched, frosted glass. Fixtures provide a widespread even illumination and can be flush or semi-flush mounted. Matching finish canopy and stems included for semi-flush mounting. Finial allows for easy cleaning and maintenance.

Includes one 55W 2C T6 2700K fluorescent lamp for energy efficiency, superior color rendering and long life.

Standard with electronic ballast (120 volt, 60Hz) ensures no flickering and quiet operation without interfering with other home electronics.

Use with non-dimmable switches only.

All mounting hardware included.

LISTING

CUL listed to US and Canadian safety standards and suitable for damp locations. ENERGY STAR® qualified.

WARRANTY

Guaranteed for two years against mechanical defects in manufacture.
