KEY BENEFITS

Perfect fit - MAAX adjustable shower and tub shower doors guarantee that your shower is securely mounted to your ceramic or acrylic walls and watertight.

Watertight seal - MAAX shower doors are equipped with a number of parts and systems to ensure the optimal watertight performance of your shower door!

Enjoyment without the worry - The ball bearing roller system, Sure-Glide track system, and bottom door guide make operating your shower panels a snap.

Frameless look - MAAX shower and tub shower doors are always designed to highlight the soft, pure lines of the glass.

STANDARD FEATURE(S)

Aluminum section equipped with a full-length magnetic joint, ensuring a watertight seal

Clear sealing joint around the door

Discreetly positioned door handles making it easy to open the door from either the inside or outside

Elegant 69-inch high frameless door that allows for space above the shower

Waterproof adhesive tape

Exclusive pivot hinge allowing for a 2-inch adjustment

Reversible door adaptable to any installation
