

KEY BENEFITS

Perfect fit - MAAX adjustable shower and tub shower doors guarantee that your shower is securely mounted to your ceramic or acrylic walls and watertight.

Watertight seal - MAAX shower doors are equipped with a number of parts and systems to ensure the optimal watertight performance of your shower door!

Enjoyment without the worry - The ball bearing roller system, Sure-Glide track system, and bottom door guide make operating your shower panels a snap.

Frameless look - MAAX shower and tub shower doors are always designed to highlight the soft, pure lines of the glass.

STANDARD FEATURE(S)

Full-length magnetic catch allows for door adjustment and waterproof protection

Square shape frameless door offers a pure and upscale look

Watertight seals in between panels keep the door from leaking

Door 137563 is not available with Frost glass/Nickel finish combination
