Fire, and more, at your fingertips! TOTAL SIGNATURE COMMAND™ SYSTEM.

No other system offers so many available features as the Total Signature Command™ (TSC) System, now available on our premium direct vent fireplaces. From your Touch Screen remote control you can light the pilot and control three step flame adjustment, or just let the Smart Mode Thermostat take command and automatically modulate your fireplace at its most comfortable and efficient operation. Enjoy A/C functionality with automatic battery backup, adjust the blower speed, accent light, and control rear burner shut off without getting up from your couch. The TSC system also includes cold climate pilot options and a touch button command center. (The full command Touch Screen remote control is included with the purchase of a KHLDTV500 and WDLTV500 model fireplace systems.)
