# MR1110

(E) 11/11

Carefully unpack and identify all parts before assembly.

1. Lay the frame, with screw holes side facing up, on a non-abrasive surface.
2. Gently lay the glass mirror, (mirror side down) onto the frame. Then lay the glass mirror cover onto the frame.
3. Secure the glass mirror cover onto the frame with brackets.
4. Carefully hang mirror onto wall.
