

WhisperWelcome™ VENTILATION FAN

FV-05VFM2, FV-08VFM2

- Only ENERGY STAR rated low-profile ceiling mount fan with motion sensor and 3" or 4" duct flexibility
- Built-in SmartAction® motion sensor with 20-minute delay timer
- 4" to 3" adaptor included

FV-08VFM2

Low Profile Housing Design

With a housing depth of only 5-5/8", WhisperWelcome fans provides flexibility for installation in 2" x 6" and 2" x 8" ceiling joists. Dual rated for 4" or 3" duct, they are ideal for renovation since you can use the existing duct.

Quiet Operation at .25" Water Gauge

ASHRAE, ENERGY STAR®, LEED for Homes, and HVI have set the industry standard for performance measurement at .25" w.g. The new WhisperWelcome fans not only provide powerful CFM output at .25" w.g., but our sones have also been certified at .25" w.g. So they are quiet under pressure and after installation.

SmartAction® Motion Sensor

The built-in SmartAction motion sensor automatically activates whenever someone enters the room. After 20 minutes, the built-in delay timer turns the fan off.

Additional Benefits

- Easy installation (double hanger bar system)
- Rust-proof paint treatment on galvanized housing
- ASHRAE 62.2, LEED, and CA Title 24 compliant
- Built-in damper to prevent backdraft
- 3-Year warranty

Panasonic ideas for life

The ultimate in hospitality - Quiet and comfort

WhisperWelcome
