Place light anywhere, use it with ease

TeaLights is a set with a delightful flickering effect that simulates the flame of a real tea candle. They are supplied in six stylish frosted glass cups. As they are the same size as wax tea lights, they fit into existing holders.

Freedom of placement

- Battery operated, no need to connect to mains while in use
- Weatherproof for indoor and outdoor use

Ease of use

- Fit into existing holders
- Simply tilt the candle to turn on and off
- Easy wireless induction charging no hassle with wires
- Up to 20 hours of light on a single charge

Safe to use

- LED technology is cool to touch
- Innovative LED technology with extremely long operating life
- No open electricity

Ambiance light effect

- Flickering light that is like a real candle
