

Features & Benefits GENERAL DUTY MECHANICS GLOVE

Raptor's General Duty Mechanics Glove is a very comfortable and dexterous glove featuring a one-piece palm of flexible synthetic suede along with a slip fit cuff.

- ① Slip fit cuff with pull tab allows for easy donning and doffing
- ② ID tag for jobsite recognition
- ③ Directional stretch nylon top of hand wicks away heat and moisture
- ④ Internal knuckle padding on top of hand protects against bumps and scrapes
- ⑤ Durable synthetic suede base layer does not shrink, stretch or harden
- ⑥ Reinforced synthetic suede saddle provides extra protection in critical area
- ⑦ Padded palm dampens vibration and increases protection
- ⑧ Pin-Point fingertip sewing pattern enhances tactility
