

Features & Benefits

CUT-RESISTANT PERFORMANCE GLOVE

Raptor's Cut-Resistant Performance Glove is all-purpose, extremely durable and completely lined throughout with Kevlar®.

- 1 Every section is lined throughout with Kevlar® by DuPont™ for total hand cut-resistance
- 2 Palm rates level 3 on ANSI/ISEA 105-2005 standard
- 3 Supportive Neoprene cuff with adjustable Velcro closure ensures a snug fit
- 4 Gusset on cuff locks out dirt and debris
- 5 Directional stretch nylon top of hand wicks away heat and moisture
- 6 DuPont™ Kevlar® co-branding on cuff
- 7 Reinforced synthetic suede fingertip adds protection
- 8 Terry cloth thumb to wipe away sweat and debris
- 9 Durable synthetic leather base layer does not shrink, stretch or harden
- 10 Non-slip palm and finger reinforcement provides extra grip and increases durability
- 11 Double stitched bonded nylon thread secures reinforcement in place
