

SeeSnake® DVD Pak Monitor Inspection Camera Monitor

The new SeeSnake® DVD Pak Monitor lets you reliably monitor and record inspections in the most extreme conditions. The DVD Pak can be purchased with the industry's first OLED display letting you inspect in colder and brighter situations.

- **Lightweight and Small** design makes carrying your tools to the job site and stowing your monitor easier than ever.
- **Exceptional DVD Burning Reliability** takes the question out of what DVDs to use, and how to finalize correctly.
- **Fully Weatherized Design** lets you take the DVD Pak into whatever situation you may run into.
- **Lithium-Ion Battery Power** allows you to record inspections regardless of the availability of AC Power.
- **Optional High Contrast OLED Display** operates smoothly from -30°F all the way up to +130°F (OLED Only).
