- Bisque (018)

## STANDARDS AND RATINGS

Class B fire rating

American Society for Testing and Materials

National Electrical Manufacturers Association

## MAINTENANCE AND CLEANING INFORMATION

The surface is stain and abrasion resistant, however it requires reasonable care. Wash regularly with warm water; use a soft cloth with a mild liquid detergent such as Handy Andy, Mr. Clean or Lestoil. Scouring pads made of nylon, saran or polyethylene may be used but *never* use abrasive scouring powders, cleaners or pads...they dull the finish. Protect finish with any fiberglass wax or automotive paste wax.
