| LP | 808 | 808P | BK | WT | BN |

Ordering Example (*model number – series – finish*):  LP-808-BK

### Product Details

**Description:** Surface mount single track head with canopy and integral magnetic transformer.  May be surface mounted to walls and ceilings.  Base covers a standard junction box.

**Materials:** Die-cast aluminum fixture with bi-pin ceramic socket and 18 gauge teflon insulated wires, with fiberglass sleeves. Supplied with tempered clear glass lens.

Portable model (LP-808P) comes with a 9' cord, plug and switch.

**Transformer:** Magnetic transformer, 120v to 12v.

Dim with magnetic low voltage dimmer.

**Aiming:** 350° horizontal rotation and 90° vertical aiming.

Two aiming screws (one on each side of fixture) allow for locking fixture aiming angle.

**Lamping:** Re-lamps from the front using MR16 lamps, 50W maximum.

**Finish:** Abrasion resistant powder coat paint finish.  Available in Black (BK), White (WT), Brushed Nickel (BN).

**Listing:** UL & CUL Listed.

**Accessories:** Accepts a single lens accessory in place of the supplied tempered clear glass lens.

Compatible accessories are ordered separately.

### Specification Features

- Fixtures available with 6", 12", 18", 24", 36", 48", 72" and 96" extensions (factory assembled in BK, WT, or BN). Specify fixture style and finish when ordering (i.e.: LP-808-BK-X18). Extended fixtures are available only as a complete unit from the factory.

- Special lens types such as spread lenses and UV lenses can be ordered from W.A.C. and used in place of the supplied clear lens.

- LP-808P is a portable unit that can be used as a free standing lighting fixture or mounted on a wall or ceiling.  Ideally suited for illuminating displays in situations where the light source will need to moved frequently.

- 5 year W.A.C. Lighting product warranty.
