

Dupont Media Console

GDS25G5-1491KN
GDS25L5-1491KN

Shaker-chic is the best way to describe this unique pairing of styles. The clean lines of the shaker style construction are complemented by the dark brown finish of the traditional cabinetry, sporting tinted glass shades in order to keep a little mystery hidden behind its cabinet doors. At its core is a vibrant electric firebox featuring hand-finished logs, 3D flame and floating display technology.

Dupont Media Console

Features

- Color Rich LED Flame**
A blend of technology, artistry and craftsmanship - Dimplex patented LED flame technology is rich in both color and realism.
- Media Bed**
Diamond-like acrylic ice ember bed chunks sparkle with the reflected light.
- Color Themes**
Choose from 8 brilliant color themes or cycle through a range of colors using the prism mode, freezing on the hue of your choice.
- LED Technology**
Lasts more than 35 times longer and uses 10 times less energy than incandescent light bulbs.
- Safe, Ceramic Heat**
Reduce your central furnace temperature and cut your heating costs with the thermostat controlled safe, ceramic heater. Quietly operates with or without flame for warming spaces up to 1,000 sq ft.
- Floating LED Display**
View temperature settings and specialty functions such as sleep timer and color themes.
- Multi-function Remote**
Control 100% of the fireplace features from the comfort of your chair.
- Year-round Enjoyment**
Enjoy the ambiance of the flame with or without the heater for year-round enjoyment.
- Economical**
Economical to operate. Costing only pennies per hour.*
- Green**
The green alternative. No harmful particulates or emissions and 100% efficient.
- Safe**
Front glass stays cool, making it safe to touch.
