

**Alameda Collection**

**Alameda 1 Light Outdoor Wall Light in Canyon View**  
 9651CV

**Product Description:**

The Alameda Collection brings its simple, down-to-earth design to your outer decor adding an unassuming dynamic to your home's profile. Each fixture utilizes a classic lantern shape. Our Canyon View finish and Honey opalescent glass panels, add instant beauty and ambiance, making the Alameda Collection a family of outdoor fixtures that garners attention wherever you install it. The Alameda Collection's 1-light wall lantern adds an immediate and beautiful touch to your home. Easy to install, it uses a 100-watt (max.) bulb, has a height of 11.5", and is U.L. listed for wet location making this Alameda fixture a superb selection.
