# Fresh Living Tip

Never seem to have enough space in your refrigerator for beverages? Simply swap a 15" cabinet with this slim model to easily add more cold storage to your home. And if built-in installation is not an option, the finished cabinet design makes for a polished freestanding look.

15" Marvel Beverage Center

MLBV215

Storage Adaptability

- 2.7 cu. ft. capacity stores (72) 12-oz cans and 3 wine bottles
- Black steel-framed glass shelves are cantilevered and fully adjustable
- Includes (1) 3-in-1 Convertible Shelf featuring removable glass pane with wine rack option
- Store food, beverages, or wine

Cooling Performance

- Dynamic cooling technology delivers rapid cool down, frost-free operation and precise temperature stability
- Proprietary shelving design for cool air to circulate throughout cabinet for temperature consistency from top to bottom
- Thermal-efficient cabinet ensures optimum preservation and energy efficiency while maximizing capacity
- Argon-filled, UV-resistant tinted dual pane glass door protects contents from damaging ultraviolet light, while conserving energy
- Sound-buffering design

Convenient Controls

- Multifunction controls allow you to select a precise cabinet temperature from 34° F to 60° F
- Features easy-to-use settings and options

Fit & Finish

- Elegant midnight black interior and arctic white LED interior lighting
- Solid black shelf fronts
- Reversible door allows for right or left swing for adaptable installation
- Black toe kick adjustable to 4" with leveling legs
Warranty

- 1-year parts and labor warranty and 5-year sealed system parts warranty

Full-featured in a slim size, this 15" beverage center stores up to six 12-packs, and a convertible shelf lifts to reveal hidden wine storage!
