Hendrik 2 Bulb Semi Flush Ceiling Light - OZ
3674OZ (Olde Bronze)

Product Description:

Named after renowned Dutch architect, Hendrik Berlage, the Hendrik Collection is a gorgeous family of contemporary fixtures that honor the man who was regarded by many as the "Father of Modern architecture". Much like Berlage himself, The Hendrik Collection is regarded as an intermediary between modern and traditional styles. Classic lines are enhanced with a soft touch of current style cues to work in a number of aesthetic environments. The warm hue of our Olde Bronze finish is partnered with light amber etched glass for a fantastic balance of natural color. The 2-light Hendrik Semi-Flush uses 60-watt (max.) bulbs, measures 15" in diameter with a body height of 10".
