Fixture Type:

Part Number:

LEDRA® 12 WITH J-BOX AND DRIVER

Description:

The Ledra 12 with J-box and Driver is a recessed ceiling or wall mounted fixture. Pressure fit mounting hardware allows for no screws to be visible. The small size, long life, lack of UV, rich color options, and cool beam allows for a wide variety of applications. Fixture includes a junction box and a driver. Ledra fixture is dimmable if used with [appropriate Ledra dimming driver](#). Refer to a drive specification sheet for correct installation..
