

Hendrik Collection
Hendrik 4 Light Bath Light - Olde Bronze
5079OZ (Olde Bronze)

Product Description:

Named after renowned Dutch architect, Hendrik Berlage, the Hendrik Collection is a gorgeous family of contemporary fixtures that honor the man who was regarded by many as the "Father of Modern architecture". Much like Berlage himself, The Hendrik Collection is regarded as an intermediary between modern and traditional styles and is now suited for your bathroom. Classic lines are enhanced with a soft touch of current style cues to work in a number of aesthetic environments. The antique look provided by our Olde Bronze finish is partnered with the etched amber glass for a fantastic warm and frosted color palate. The 4-light wall sconce uses a 100-watt (max.) bulb and measures 34" wide by 8" high. This fixture may be installed with the glass up or down and is U.L. listed for damp location.
