Indoor Decorative

Piedmont Sconce

Compact Full Spiral Fluorescent w/Integrated Ballast

FEATURES & SPECIFICATIONS

INTENDED USE

Provides accent illumination that visually expands the space and creates a relaxing atmosphere in residential and commercial applications such as hospitality, educational, health care and circulation areas. Ideal for use in hallways, stairways, dining areas, foyers, offices and meeting rooms.

ATTRIBUTES

Complete any room with traditional style. This unique designed sconce is offered with sand-textured cream glass shade, mounted on an antique finished socket housing and matching decorative support arm/canopy or sand-texture opal glass shade, mounted on a brushed nickel socket housing and matching decorative support arm/canopy. The shade provides a wide spread uniform illumination.

Includes (1) 13W compact full spiral, 2700K fluorescent lamp (for energy efficiency, superior color rendering and long life) with integrated 120V 60Hz electronic GU24-pin base ballast (ensures no flickering and quiet operation without interfering with other home electronics).

For use with non-dimmable switches only.

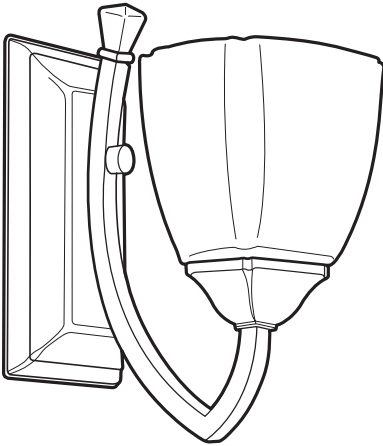

All mounting hardware included.

LISTING

CUL listed to US and Canadian safety standards and listed, suitable for damp locations. ENERGY STAR® qualified.

WARRANTY

Guaranteed for two years against mechanical defects in manufacture.
