Indoor General Purpose

Cabinet Light

Linkable Stick - LED

24V LED

FEATURES & SPECIFICATIONS

INTENDED USE

Provides accent illumination in residential and light commercial applications. Ideal for use as toe-kick lighting for counter cabinets providing a warm inviting atmosphere in the kitchen. Also use in bookcases and display cabinets.

ATTRIBUTES

Long-lasting LEDs - 40,000 hours average bulb life. 1/2" low-profile light sticks, available in 6", 12" and 18" lengths. Quick-connect brackets or double sided tape allows for quick and easy installation. Light sticks can be linked end-to-end for continuous illumination. 3" linking cord accessory links fixtures around corners, or for wider spacing use 24" linking cord accessory (order separately - see accessories).

Includes .1 watt LED bulbs, for a bright illumination and long life. Total wattage 0.45W 6"stick, 0.9W 12"stick and 1.35W for 18" stick.

Requires 24V step down transformer kit (sold separately - see accessories below). Links up to 10' of fixtures on one transformer. Kit includes 6' power cord and 24" transformer linking cord. Can be direct-wired with splice box and 24" connector cord, (order separately - see accessories below).

26" cord with In-line power switch available (order separately - see accessories below).

All mounting hardware included.

LISTING

CUL listed to US and Canadian safety standards and suitable for damp locations.

WARRANTY

Guaranteed for two years against mechanical defects in manufacture.
