91004-147 - Probe-OBM Directional Light, 12v

**Collections:** Meridian (Primary)  
 Probe OBM

- Cast Brass Construction
- Pre-Greased Beryllium Copper Socket
- Lock & Load, 360 Degree Rotation Shroud
- Ball and Joint Knuckle, 360 Degree Orbital Mount
- Anti-Moisture Migration Connections
- Brown ABS PLastic Gravity Stake Mount
- Tempered Convex Lens
- Includes Full Lens Kit, with Hex Louver

Rugged cast brass directional up light, the Probe is enhanced by revolutionary ball and joint Orbital Mount allowing a 360 degree rotation, thus giving 100% accuracy when dialing the proper lighting angle. Ideal for when up-lighting is challenged by a small installation area. The Probe's die cast brass body houses a MR16, 20 Watt Halogen bulb.

Use of other manufacturers' components and power management system materials will void warranty, listing, and present a possible safety hazzard. Please use caution when specifying lamps by selecting the proper voltage, base type, and wattage lamp when designing and installing any lighting system.

**UPC #:** 785652146831

**Product Type:** Landscape Light

**Finish:** Weathered Brass (147)

Features:

- Designer Lenses Included
- Orbital Mount
- 360 Orbital Rotation
- Lifetime Warranty
- Clear Bulb Recommended
- Fluorescent
- Powder Coat Finish
