91361-147 - Orion Wall Light, 120v

Collections: Meridian (Primary)
Orion Series

Designed to eliminate the glare associated with glass outdoor fixtures, the Orion series directs light output in an up/down beam spread. The brass body construction makes these fixtures durable and efficient. Advanced applications include mounting a horizontal series of Orions to create a beautiful pattern of light.

Brass Construction

Pre-Greased Beryllium Copper Socket

Includes Clear & Frosted Lens

Surface Mounted

Use of other manufacturers' components and power management system materials will void warranty, listing, and present a possible safety hazard. Please use caution when specifying lamps by selecting the proper voltage, base type, and wattage lamp when designing and installing any lighting system.
