

Alcott Electric Fireplace

Part of The Real Flame Landscape Series, The Alcott Electric Fireplace offers one of our largest, longest mantles and features a wide-screen infrared electric firebox that is 15" wider than standard Real Flame fireboxes. With six flame color options and five flame brightness levels this fireplace provides supplemental heat for rooms up to 1,000 sq ft and offers the option to run heatless flames for year-round ambiance.

4130E
