

Electric Firebox

The VividFlame Infrared Electric Firebox sets a new benchmark in LED flame technology. Developed by Real Flame® to offer unparalleled flame realism and brightness, this infrared firebox mimics the look of a real fire, but does not require a chimney or vents and plugs into a standard outlet for convenient set up. Features include sleek touch controls and dynamic glowing embers.

Available finish: Black

4199

Assembled Dimensions:

- 23.375"L x 8.75" W x 19.875"H; 31lbs
