

# realflame® 65" Wall Mounted/Recessed Electric Fireplace Insert

Developed as an alternative to wood burning and gas fireplaces the Real Flame® Wall Mounted/Recessed Electric Fireplace Insert mimics the look of a real fire, but does not require a chimney or vents and conveniently plugs into a standard outlet. This modern fireplace insert can be hung directly on the wall, recessed into the wall or can stand on the included feet. Features multiple heat and flame color settings and the heat option can be turned off so you can enjoy the welcoming ambiance of your fireplace year-round. A remote control, mounting hardware, log set and two filler options are included.

Available finish: Black

## 5560
