

Burner Options

Napoleon's HD81 and GD19 offer different burner options to allow you to choose the burner configuration that best suits your home. The HD81 is available with a log set, glass ember bed or a river rock burner and the GD19 is available with a log or river rock burner configuration.

Media Enhancement Kits

River Rock Media Kits

Switch out existing logs to a more contemporary setting with the optional river rock media kits. Available in grey or multi-coloured.

Driftwood Media Kits

Designed for both the LHD45 and LHD62 linear gas fireplaces, the driftwood adds a unique look to Napoleon's modern fireplaces, giving you yet another option when choosing a unit to match your décor.

Glass Media Kits

Media kits of coloured glass are designed to enhance or change the look of your firebox by switching out the standard topaz glass.

Andirons

Designed to simply stand in front of the logs and give the optimum traditional masonry look and feel.

GEO Shapes

Take your modern fireplace one step further with Napoleon's six piece ceramic GEO shapes media enhancement kit.

Designer Fire Art - Nickel Stix

The Nickel Stix add a unique look to the LHD45, LHD50 and LHD62 linear fireplaces, reflections from over 100 nickel plated surfaces create a myriad of sparkling (twinkling) flame patterns throughout the firebox.

Designer Fire Art - Metal Coil

The Metal Coil was designed to add an interesting art element to the firebox of the LHD45 linear gas fireplace.
