

Vintec Perfect Cradle™ Shelving

Showcase your entire collection with our fully-extendable, wide-slat, premium white oak shelving. Unlike most wine cabinets, the Vintec Perfect Cradle™ Shelving is designed with ideal spacing between shelves to accommodate ALL 750ml bottle types – even your favorite Champagne – without scratching the labels.

44 bottle Dual-Zone cellaring & serving wine cabinet: one zone can be used for serving whites and the other for reds, or one zone can be used for cellaring/aging all wines. Equipped with Vintec Perfect Cradle™ Shelving.

Product Benefits & Features

Vintec Pillar 1: Stable Temperature

Temperature fluctuations can denature your wines. Most wine cabinets have compressors that run periodically causing temperature fluctuations, but Vintec cabinets have an efficient, variable-speed compressor that runs consistently to maintain the precise temperature you set.

- Audio & Visual alert
- Humidity recycling system
- Energy Efficient R600a Gas

Vintec Pillar 2: Humidity Above 50%

Retain moisture in your wine corks with humidity levels above 50%, keeping damaging air out of your wines.

Vintec Pillar 3: UV-Proof Dark Storage Area

Protect wines from light damage with dark interiors and UV-blocking glass.

Vintec Pillar 4: Vibration-Proof Environment

Wine is protected from premature deterioration with vibration-absorbing wooden shelves, rubber shock absorbers and a low vibration, variable-speed compressor.

Vintec Pillar 5: Optimized Airflow

Maintain a fresh, odor-free cabinet with Vintec's efficient air circulation system and a powerful air filter to ensure a constant, slow flow of filtered air throughout the cabinet to limit odors from penetrating your wine and mold from growing and damaging labels and corks.

Product Specification

Type	Wine Cabinet	Door Type	Glass Door
RangeName	Premium	Door Construction	Triple layer, 1 Low E, Argon gas
Function	Cellar OR Serve	BodyFinish	Black
Main Function	Serve Red or White	Finish	Matte Black Border
Alternate Function	Serve or Cellar	Hinge	Reversible
ZonesDenomination	Dual-Zone	Reversible	Yes
No of Zones	2	Product Installation	Built-In or Freestanding
