

Commercial Super-Capacity Dryer

Non-Coin

With 100 years of experience in the industry and features that streamline service, Whirlpool® Commercial Laundry machines provide performance with the quality you expect.

Commercial-Grade Features:

Choose a commercial-built product that withstands heavy traffic, regular use, and performs continuously.

Galvanized, Heavy-Gauge Cabinet

Built from thick-gauge, high-quality steel, this cabinet handles high-traffic and constant use while offering top-caliber protection to the internal components.

Four-Roller Suspension

Four heavy-duty rollers in the suspension are engineered to handle daily use and provide exceptional drying.

Full-Wrap Console

The metal console wraps completely around the back of the machine, making it easy to clean, and offering optimal protection against unexpected liquid spills or vapor.

180° Wide-Opening Side-Swing Door

The side-swing door gives unhindered access for loading and unloading, while the 180° opening gives optimal flexibility in any space. Made from heavy, galvanized steel, it's designed for regular use.
