

# MILANO wall

One of the original curved-glass canopy range hoods, Milano has become an icon by virtue of its timeless design. Now upgraded with Zephyr's DCBL Suppression System™, Milano takes range hood detail and performance to higher grounds. Outfitted with three Bloom™ HD LED light bulbs and electronic LCD controls, Milano is as relevant today as it was the day we introduced it in 2001. Canopies available in clear and smoke-gray glass, and stainless steel.
