

Hendrik Collection
Hendrik 2 Light Bath Light in Brushed Nickel
 5077NI (Brushed Nickel)

Product Description:

Named after renowned Dutch architect, Hendrik Berlage, the Hendrik Collection is a gorgeous family of contemporary fixtures that honor the man who was regarded by many as the "Father of Modern architecture". Much like Berlage himself, The Hendrik Collection is regarded as an intermediary between modern and traditional styles and is now suited for your bathroom. Classic lines are enhanced with a soft touch of current style cues to work in a number of aesthetic environments. The clean look provided by our Brushed Nickel finish is partnered with the Satin-etched cased opal glass for a fantastic pure and frosted color palate. The 2-light wall sconce uses a 100-watt (max.) bulb and measures 14 " wide by 8" high. This fixture may be installed with the glass up or down and is U.L. listed for damp location.
