Blower motor/control	220-240 V, 15 A, 50/60 Hz
----------------------	---------------------------

Installation Notes

Install this product according to the installation guide.

Floor support under bath must provide for a minimum of 1800 lbs (816.5 kg).

Hot water supply should be 70% of capacity or greater. Installations will vary.

This bath is designed for drop-in installation only. It is not suited for use in a three wall alcove with an overhead shower.

A blower motor/control access panel is required.

No change in measurements if connected with drain illustrated. (K-7214)
