

Moentrol® & Posi-Temp® with Transfer Valve Vertical Spa Configurations

Due to Department of Energy regulations, plumbing manufacturers can no longer sell vertical spas packaged together as a single SKU. Moen has all the components necessary for you to build a custom vertical spa a la carte. And, we're making it easy for you to pull together the sku numbers you need. Follow the charts below to

order all the components in the former vertical spa package offered by Moen. **For more options, see the custom showering section in the Moen Full Line Pricer catalog (MF36) or visit www.moen.com/#shower-planner.**
