

## 7-Bottle Mirrored Wine Cooler VT-7BMSL-FE

The 7-Bottle Touch Screen Wine Cooler is a trendy and space-saving way to store your finest bottles of wine! With Vinotemp's exclusive patent-pending mirrored trim, the European style of this wine cooler reflects excellent taste without taking up valuable space! This slim wine cooler includes dual-pane glass windows and a black cabinet. The Vinotemp 7-Bottle Wine Cooler is perfect for your smaller storage needs. Vinotemp's exclusive Mirrored Wine Coolers combine modern cooling technology with high style and are a fun alternative to traditional stainless steel.
