

## Grenoble 1 Light Mini Pendant - NI 2714NI (Brushed Nickel)

### Product Description:

The Grenoble Collection takes classic form and elevates it to a new standard with universal appeal. The central element of its design is the cone-shaped Brushed Nickel shade, giving the Grenoble Collection a clean profile that is decidedly contemporary without being overly modern. For a room that needs a demure, single fixture for added ambiance, this 1-light mini-pendant is a perfect choice. It uses a 150-watt (max.) bulb, giving it a powerful light in a small package. And with a diameter of only 11" this fixture can go wherever you need it, providing unmatched versatility.
