

SS224 - Guinevere SoftClose Seat

- Comfortable ergonomic design
- SoftClose hinge eliminates “toilet seat slam”
- Closing Action Reduces Injury
- SoftClose hinge installs from above the bowl
- Solid High-Impact, High Gloss Polypropylene
- Resistant to Chemicals and Cleaning Agents

Designed for the Guinevere toilet, the new Traditional SoftClose seat (SS224) is also compatible with all TOTO elongated toilet models, and it also works well as a complementary design element with most other brands of elongated toilets.
